

PRIVILEGES IN OBSTETRICS

Name:	PHOTA ANUSHA REDDY							
MEDICAL STAFF CATEGORY REQUESTED								
Note — Cross out and INITIAL any privilege/s you are not applying for in this set of Basic Privileges								
☐ Full Time – Uses	Fernandez Hospitals as a primary hospital and regularly treats, consults nvolved in medical staff functions.							
A i - t t	:- Jr. Consultant ☐ Registrar ☑ Postdoctoral ☐ L	ONB Stu	ident [Duty Doctor [
INITIAL CRITEI								
Successful completion of MBBS and MBBS DGO DNB (Obstetrics MD/MS (Obstetrics and Gynecology) MRCOG From a MCI recognised medical college or university. Should be registered with AP Medical Council								
CORE PRIVILEGES								
REQUESTED	PROCEDURE		GRAN	ITED				
		YES	NO	Under Supervision				
	Antepartum Care							
	Ambulatory, routine, urgent, and emergency care in the hospital setting, through the Emergency Department or hospitalization and			П				
\Box	in-patient care for obstetric, medical, and/or surgical problems/							
	complications of pregnancy							
PRIMARY SPECIALTY AREAS								
Labor and Deli		A						
	Perform history and physical exam							
<u> </u>	Amnioinfusion							
V	Amniocentesis							
\square	Amniotomy							
✓	Application of internal fetal and uterine monitors							
\square	Augmentation and induction of labor							
\square	Cesarean hysterectomy, cesarean section							
✓ ′	Cerclage							
\square	Cervical biopsy or conization of cervix in pregnancy							
\square	External version of breech							
	Immediate care of the newborn (including resuscitation and intubation)		- D					
\square	Interpretation of fetal monitoring							
□	Management of high risk pregnancy inclusive of such conditions as pre-eclampsia, post-datism, third trimester bleeding, intrauterine growth restriction, premature rupture of membranes, premature labor, and placental abnormalities							
ď	Management of patients with/without medical, surgical or obstetrical complications for normal labor including toxemia, threatened abortion, normal puerperal patient, normal antepartum and postpartum care, postpartum complications, fetal death.	Ø						

Manual removal of placenta, uterine curettage Medication to induce fetal lung maturity Episiotomy, repair of obstetrical laceration Distetrical diagnostic procedures, including ultrasonography and other relevant imaging techniques Obstetrical diagnostic procedures, including ultrasonography and other relevant imaging techniques Operative vaginal delivery (including the use of obstetric forceps and/or the vacuum extractor) Perform breach and multifetal deliveries Repair of 4th degree perineal lacerations or of cervical or vaginal lacerations Treatment of medical and surgical complications of pregnancy Vaginal birth after previous Cesarean section (VBAC) Obstetric Anesthesia: Paracervical block, pudendal block, local infiltration Annicentesis: Second trimester (e.g. amnionitis, ruptured membranes evaluation), third trimester (e.g. fetal maturity studies) Annicentesis: Second trimester (e.g. amnionitis, ruptured membranes evaluation), third trimester (e.g. fetal maturity studies) Reproductive Endocrinology and Infertitity: Special procedures required for and microsurgery related to infertitity SPECIAL PRIVILEGES (MUST ALSO MEET THE CRITERIA ABOVE) ADDITIONAL CREDENTIALING CRITERIA Training in fetal medicine Yes / No Under required for and microsurgery related to infertitity Obstetrics / MATERNAL FETAL MEDICINE Chorionic Villus Sampling (CVS) Annicentesis (1st and 2nd trimester) Umbilical cord blood sampling (PUBS) OBSTETRICS / MATERNAL FETAL MEDICINE Basic Obstetric Imaging (fetal position, fetal heartrate, AFI, placental location) Complex Obstetrical Imaging Level II anatomy ultrasound Cervical length Opppier	REQUESTED	PROCEDURE	GI YE	RANTED S NO	Under Supervision

ACKNOWLEDGMENT OF PRACTITIONER

I have requested only those privileges for which, by education, training, current experience and demonstrated performance, I am qualified to perform, and that I wish to exercise at Fernandez Hospital. I also acknowledge that my professional malpractice insurance extends to all privilege I have requested.

I understand that in exercising any clinical privileges granted, I am constrained by hospital and medical staff policies and rules applicable generally and any applicable to the particular situation.
